| Sept 2023 — Nov 2026 | B.S. in Computer Science, Western Governors University                                                                                                                         | Salt Lake City, UT |
|                      | Relevant Coursework: Network and Security Foundations, Operating Systems, IT Fundamentals, Web Development (HTML/CSS/JS), Software Engineering, Data Structures and Algorithms |                    |

## TECHNICAL SKILLS

**Platforms & Operating Systems:** Windows 10/11, Windows Server, macOS, iOS, Linux (Ubuntu)  
**Administration:** Active Directory, Azure AD, Group Policy, Microsoft 365, Google Workspace, PowerShell (basic), Docker, Git, SSH  
**Device Management & Virtualization:** Apple Business Essentials, Intune (foundational), SCCM (foundational), Proxmox, VirtualBox, RDP, Tailscale, asset inventory  
**Networking & Security:** TCP/IP, DNS, DHCP, VPN, Wi-Fi, IP routing, DNS filtering, secure remote access, data backup  
**ITSM & Support:** Ticketing systems (self-hosted, Spiceworks), SLA management, knowledge base administration, ITIL concepts  
**Hardware & Support:** Laptop/desktop, PC assembly, mobile devices, printers, routers, bilingual (English/Spanish), CompTIA A+ in progress
